

Haiti House #276 - Cilta Exius Family

Cilta Exius and her husband, Jean Louis, live near the Mausoleum in Numero Deux. They have 6 children to raise and are able to farm in order to care for their family. Cilta is standing in front of their pitiful shack with HMI missionaries, Lloyd and Nancy Greenhaw and Fr Joe, who went to visit the family and we were able to witness the dire need of this family. The family sends their prayers of thanksgiving for all those who have helped them achieve their dream of a new home.
