

Haiti House #284 Israel Pierre Family

Israel Pierre is a cabinet maker who lives in Nan Sannite with his wife, Natacha Mathieu, and their 2 children. Israel has worked for Fr Joe periodically since the compound where HMI stays was first under construction. He and his boss have made almost all of the doors, chairs and furniture there. Natacha does what she can to earn enough money to help in raising their family. They have been asking for a home for a long time and it is easy to see why they are extremely grateful for receiving their new home.
