

Haiti House #286 -Antoine House

Jean Guilaire Antoine and his wife, Marie Lore St. Louis, live with their two boys in Lot bo Terin. Jean is a mason and he and his wife also do some farming to take care of their family. They are very hard working but they still have been unable to provide a house that can keep out the rain. They are extremely grateful to God and to Haiti Mission for helping them to realize their dream of a new home.
