

Haiti House #291-Jean François Louis Family

Jean François is one of the masons who is a part of the HMI construction team. He and his wife, Vanessa André, have one child. Vanessa is a seamstress and though the two of them work very hard they have not been able to raise themselves out of this pitiful shack in Nan Sannite you see in the photo. They are very grateful to God and to the donors of HMI who have provided them a beautiful home in which to begin a new life!
