

Haiti House #295 - Liclert Christophe

Liclert Christophe is a security agent living in Numero Deux with his wife, Jelena Ilus, with their child and a nephew. Jelena is strong and she works hard with Liclert to take care of their family. They were living with family members in a tiny apartment but things became very difficult and so they created this home just to have a little peace of mind. They turned to God in their need and HMI responded by providing them a new home that they moved into on Laetare Sunday!
