

Haiti House #304 - Jasmine Colas

Jasmine Colas has been one of our teachers at St Brigitte School for the last 4 years. Jasmine, because of her albinism, has generally suffered from discrimination in the community but despite that she has proven a wonderful teacher. She recently got married to Paul Colas, who teaches art, and they are expecting their first child. In the 6 months since their marriage, the couple has been living in Jeremie, however, their residence there will end in one month. They are delighted and grateful to have been chosen to receive a new home and praise God for his tender care.
