

Haiti House #312 - Erickson Charles

Erickson Charles, and his wife, Edna Vaina Cassandra Luc, live with their son and one of their nieces. Erickson is a clerk at the court in Jeremie and Edna works for a hotel in Jeremie. Despite that, their living conditions were very difficult. They praise God for the generosity of the HMI donors who made their dream possible. They are very grateful to have a wonderful, new home in which to care for and raise their young family.
