

Haiti House #320 - Emmanuel Jean Louis

Emmanuel Jean Louis lives in Cavin (Upper Bec's S/D) with his wife, Midrène Accluche, and their two children. Though Midrène is a seamstress and Emmanuel is a teacher, they still could not manage to get out of the hovel you see where they have been living. They are deeply faithful and patient people, so they turned to God, putting their trust in Him to provide for them. They are very grateful to Him and the donors of HMI, who have given them what they could not provide for themselves.
