

## **Haiti House #324 Junior Bazard**

**Junior Bazard is a mechanic and his wife, Rose Marie Falonne, helps by trading in small items. They have four children and they take their education very seriously. They live and attend school and church in Numero Deux. They have been praying for a decent home where they can raise their family and continue to live in their beloved community. They thank God for the generosity of the HMI donors who have made their prayers a reality.**
