

Haiti House #326 Marc Donlad Barthelemy

Marc Donlad Barthelemy is an agricultural technician and his wife, Juliette Jules is a student studying social science. They live in Bec's subdivision and they work hard and try to do their best to provide for their daughter. Marc is a very good and reliable source of information when it comes to the gardens at Bec's Bakery, the poultry farm in Ravine Sable and on Fr Joe's compound. They are deeply thankful for the help that they have been given in receiving a new home. They send their thanks to God and HMI.
