

## Haiti House #335 Mirlande Alexis

**Mirlande Alexis, like so many others, has a road side stand where she does a little commerce. Her husband, Gary St Fleur, is a taxi driver and they live in Carrefour Caton with their 3 children. Though they are diligent in working they never could have hoped to have accrued enough to make a new home a reality. They are extremely grateful to God and to the donors of HMI who have made this beautiful dream possible.**
