

Haiti House #346 Israel Pierre

Israel Pierre and his wife, Rislaine Duverger, are joyful at the birth of their first child as you can see in the photo below. Israel is a teacher and Rislaine is a student nurse and they live in Numero Deux. They have been praying that God would provide HMI's housing project with enough funding so that they would have a chance to move out of their clay house into a more decent, solid HMI home. They are filled with gratitude that God and the HMI donors have answered their fervent prayers!
