

Haiti House #349 Vélienne Laguerre

Vélienne Laguerre, a faithful woman with 5 children living, was living in the pitiful shack that you see. Abandoned by her husband, she has had to work extremely hard to care for her large family. She farms and sells what she can to make a little profit from her hard work. They are thrilled to begin a new life in their new home thanks to the generous contribution of those who believe in Jesus! She wants to let the world know by their good actions that Jesus is risen!
