

Haiti House #351 Imeler Michel

Imeler Michel has been a vital part of the community of Numero Deux since Fr Joe arrived there. He is not only a teacher and administrator at St Brigitte's school but was also made an acolyte and lector at Our Lady of the Assumption by Bishop Decoste when the new church was completed. In addition to those jobs, he also volunteers as the leader of the Catholic youth group in the parish. At one point he was discerning the priesthood but has decided he is called to marriage. He was so very grateful to be chosen to receive a new home where he can start his life with his wife (they will be married this summer) and his two nephews who will be living with them.
