

## **Haiti House #358 Jean Raoul Dominique**

**Jean Raoul Dominique is a widow who lost his beloved wife nine years ago. He is a father of 6 and 4 of his children live with him along with 6 of his grandchildren. He farms to care for his large family and like so many others is a man of great faith. He is filled with gratitude to be able to move from his old shack to his new home. He thanks God and HMI for making that possible.**
