

## **Haiti House #359 Jean Krislet Poto**

**Jean Krislet Poto is a strong, hard working farmer with lives in Paroty with his wife, Yfta Agé. Yfta does a little commerce selling what she can both in Paroty and in Jeremie. They have 9 children, 7 sons and 2 daughters, with 4 of their children living with them. It is with great pleasure that HMI was able to move this family from the previous home that you see into a strong, decent home. They send their grateful thanks to all who made this possible for their family.**
