

Haiti House #360 Micheline Nazaire

Micheline Nazaire is the widowed mother of eleven children. Three of her children live with her now as she is handicapped and they are able to do some farming and pick up petty jobs for survival. Though a poor widow, living in the horrible circumstances you see, she is very generous. She always seems to be able to find something to share with those in need. It is a great joy that HMI is able to help her to move into a decent and secure home with her beloved children. She praises God for this gift!
