

Haiti House #369 Marie Maude Toussaint

Marie Maude Toussaint is a widow who has four children. She lives with one of her daughters, her son in law and three grandchildren in Debarasse. As her health is very poor and she is very weak, she must rely on her children to take care of her. She is very grateful to be able to move into her wonderful new home and is hopeful that with a decent place to live, her health will return and that she will once again be able to contribute to her family.
