

Haiti House #375 Bettie Preptit

Bettie Preptit is a single mother with two teenage daughters. They are a faithful family and have been asking God for a home for a long time. Bettie has a small stand and sells food staples to try to provide for her family. It is no wonder that they are filled with joy to be out of the house that you see and into their beautiful, new home. They send up their thanks and prayers to God and to the HMI donors for helping them.
