

Haiti House # 379 Sœurette Louis

Sœurette Louis and her husband, Policarpe Joseph, have three children and one grandchild. Sœurette helps to support her family by trading items that she can find while Policarpe is a teacher. They have been praying that they would be able to move from the terrible shack that they call home. Anyone can imagine with ease the joy that they felt when they moved into their beautiful new home. They praise God and thank the Haiti Mission donors who have made this Christmas miracle possible!
