

Haiti House #380 Mislene Milord

Mislene is a hard working woman who is a mother of two girls. The three of them live with Mislene's parents in Numero Deux. Mislene does what she can to care for her family, but as you can see from the photo of their family home, her resources are very meager. She has been asking for a home for many years and finally God has answered her prayers and the family is in their new home in time to celebrate Christmas. They praise God for his tender mercy.
