

## **Haiti House #385 Phanes Jean Louis**

**Phanes Jean Louis lives in Ravine Sable with his daughter, his granddaughter and his half-sister. His life is not an easy one, as no one's is in Haiti, but Phanes has to deal with the difficulty of a severe speech impediment. Still, everyone in the home works together to survive, mostly by farming. They are people of faith and have been asking God for a new home. Looking at the old home it is easy to understand their joy and gratitude for the new, safe place they now call home!**
