

Haiti House #387 Sara Dorismond

Sara Dorismond is an 82 year old widow who has seven children. HMI missionaries will know one of her daughters, Madam Christian, very well. She lives with two of her children and her sister in law. Her children take care of her and their household mostly through farming. The need for these women to be in a decent home can readily be seen in the before photo and since the road to their home was finally passable, you can understand their joy. They are grateful for all who have answered their prayers.
