

Haiti House #390 Margarete Milord

Margarete Milord is a widow living in Paroty. She and her husband had 4 sons. One of the sons and his wife had 16 children through 8 pregnancies. All of the pregnancies were twins! Unfortunately his wife died leaving him to care for all 16 children alone. That is until his generous mother welcomed them all to her "home". When their story was made known, it was obvious that they needed a decent place to live and to raise this very large family! They praise God for His tender mercy and for the generosity of the donors who made their home possible!
