Haiti House #393 Wilson Dorismond

Wilson Dorismond and his wife, Lovelie Michel, live in Paroty with 3 of their 8 children. Wilson is a farmer and Lovelie is a small business woman. They do everything they can to try to care for their family but as you can see from the before photo their living conditions were very poor. They are overjoyed to have received their beautiful new home and are deeply grateful to God and to the donors who have changed their lives so much!
