

Haiti House #395 Magda Vincent

Magda Vincent is a dressmaker who lives with her husband, Jean Wilbert Chevalier, in Numero Deux. Though Jean Wilbert works as well as a refrigeration technician it is hard for them to get ahead and to care for their 6 year old daughter. They have been praying and hoping for a decent home for many years. They are filled with joy to be in a home that keeps them safe and dry and praise God for the donors who made this possible!
