

## **Haiti House #404 Guerson Toussaint**

**Guerson Toussaint and his wife, Kétia Laventure, have three children. Guerson is a farmer and Kétia sells what she can like so many others in a roadside stand. They have just enough to provide for their family so there was nothing extra to go towards a decent place for them to live. The joy of receiving a new home is evident and they are extremely grateful to God and the donors of HMI for giving them this gift!**
