Haiti House #407 Widline Mérizier Luc

Widline Mérizier Luc and her husband, Jean Ramin Milord have one child. Widline is a nursing student who studies very hard. Jean is a student in agronomy. Recently, Jean suffered a severe motorcycle accident that required him to have surgery. The awful circumstances that they were living in required a helping hand. The family is so grateful that Jean can recover in their beautiful new home. They thank God daily for this gift.
