

Haiti House #412 Elsa Charlitte

Elsa Charlitte is a single mother of four children. She lives with two of her children and four grandchildren in Numero Deux. Her two sons both drive motorcycle taxis to care for the family. The "BEFORE" picture gives you an idea of just how difficult their lives have been trying to provide a decent place for themselves. They are filled with joy because God has heard their cry and the donors of HMI have given them a new home in time to celebrate Jesus's birth!
