

Haiti House #421 Charly Lubin

Charly Lubin and his wife, Wilna Janvier, live in Ravine Sable. Charly works very hard as a tile layer and Wilna retails food products in her small stand like so many of the people in the area. So far, they have no children but they are filled with hope now, which is easy to understand when you look at how the two of them had to live. They wish the donors to know their joy at being chosen and send them their prayers and thanks.
