

Haiti House #427 Kanès Lamy

Kanès Lamy is a farmer and a stone breaker who lives in Ravine Sable with his wife, Justine Joseph. Justine has a small business as well, selling goods to her neighbors from her roadside stand. They have 4 children and despite always being a calm and very hard worker, Kanès was never able to improve their living conditions. Having broken most of the stone on HMI building projects, Kanès was extremely happy to be able to break them to have his own home built! He and Justine send their thanks up to God and to the donors who have made this possible.
