

Haiti House #435 Christerline Victor

Christerline Victor and her husband, Marc Antoine Philippe live with their one daughter in Kay Anron. Marc is a mason and Christerline desperately hopes to improve their situation by going to nursing school. But as you can see from the before picture, their living conditions are desperate. They praise God and thank the donors who been the answers to their prayers for a decent place to live. Now they can look forward to their future with far less anxiety.
