

Another "Miracle" from Rebecca

In 2014 Several people, who regularly attended services at Lumen Christi Retreat Center, were asked by Fr Mitch Semar, to contribute to the renovation of the dormitory halls in the facility. One of the first few responders were the parents of Rebecca Claire Fakier. Once the room assigned to Rebecca was completed, a plaque, prayer card & cloth were placed on the door and in the room respectively. One week later, the response to the requested funds to repair and renew that hall was remarkably received.
