1. CONDUCT OF MATCHES

1.1 All matches shall be played in accordance with the Laws of Cricket as recognised by the MCC and any experimental laws adopted by Cricket Victoria and the VCCL, except insofar as same are hereafter amended.

1.2 All competition matches shall:

- (a) Be played on wickets approved by the Executive Committee of the Seymour and District Cricket Association Inc. ("SDCA").
- (b) Be a program of one- or two-day matches approved by an Annual General Meeting of the SDCA.
- (c) Be played on one ground unless otherwise approved by the Executive Committee of the SDCA.

- (e) Require any club seeking postponement to provide the full facts, in writing, to the Executive Committee of the SDCA.
- (f) When not played out, be decided on the first innings.
- (g) The designated cricket season for Victoria is from 1 October to 31 March, and registered SDCA players should be available for club and associated matches during that period. In extraordinary circumstances, registered SDCA players may be required to play outside the dates of the aforementioned designated cricket season.

1.3 Teams shall toss for choice of innings a minimum of ten minutes before the commencement of play. Any team not ready to toss shall forfeit the toss.

1.4 Before tossing for choice of innings, the Captains of each team shall either provide a written team list for that match or confirm that the teams available on PlayHQ at the toss are correct. Having done so, no alteration can be made once the toss has been decided.

1.5 Twelve (12) players may be named in each team; however, only eleven of these players shall be permitted to bowl or keep wicket, i.e., the batting twelfth man and bowling twelfth man may be two different players. The team declaration form must indicate which player will not bat and which player will not bowl or keep wickets.

1.6 A player selected to play in a scheduled match in the SDCA shall not be dropped more than one grade in consecutive matches, including in the event of the team in which he was selected having a bye in the following scheduled match.

1.7 The home team is to enter the match result on PlayHQ for Senior Grades and Junior Grades no later than 8:00 pm on the Sunday night immediately following each game. The visiting side is to confirm the scores.

1.8 Any ball pitched outside the matting, between the matting, or on the centre binding of the matting shall be called a 'NO BALL'.

1.9 Afternoon tea shall be a break of 15 minutes for one-day matches and 20 minutes for two-day matches. Afternoon tea shall be provided by the home team in senior matches.

1.10 In matches where umpires have not been appointed, decisions on the fitness of playing conditions shall be made by the Captains.

1.11 In the event of a side having a bye in the A Grade draw, that club must provide, on request, an umpire for that round of matches at the request of the coordinator of umpiring or the SDCA executive.

1.12 All central umpires in SDCA matches must be 18 years of age or older.

1.13 The batting team shall provide two (2) umpires from their playing group as appointed by the captain in the event of an SDCA umpire not being provided.

1.14 Umpires' fees are \$200.00 per day for home and away matches, semi-finals, and finals, as well as for Junior Country Week matches and Northern Rivers Shield, Under 17, and Under 15 matches. For all semi-final games (senior & junior), umpires will be paid by the sides playing in the matches. The grand final umpires will be paid \$200.00 per day by the SDCA.

1.15 Umpires' fees are \$100.00 per T20 game irrespective of the grade.

2. HEAT RULE

2.1 On the day before scheduled play, if the Bureau of Meteorology (BOM) is forecasting 41+ degrees for Seymour, the round will be cancelled for all grades.

2.2 The points from these cancelled games can be classed as a drawn match for a one-day game. For a two-day game, if the first day is affected, the match can become a one-day game under one-day conditions. If it is a two-day game and the second day produces no result, then the match can be drawn.

2.3 An approved thermometer supplied by the SDCA must be used in all cases where cricket is played on days of extreme heat under the auspices of the SDCA.

2.4 The thermometer must be used in accordance with the instructions governing the device as implemented by the SDCA executive.

2.5 In the event of extreme heat conditions, readings must be taken prior to the commencement of play and prior to the start of each subsequent session. Either captain may request the umpire to take a reading during any scheduled drinks break. If no umpire is present, a request for a further reading during a scheduled drinks break should be made to the opposing captain.

2.6 Each captain and any designated umpire must be present while the reading is taken.

Heat Policy

2.7 If the temperature reading exceeds 40 degrees Celsius, play must cease. This decision is to be taken by the presiding umpire. If a game is not controlled by a designated umpire, it is the responsibility of each captain to enforce the cessation of play.

2.8 Once play has been suspended, temperature readings should be taken at reasonable intervals. When the temperature returns to 40 degrees Celsius or below, play shall resume.

2.9 Rules regarding loss of play due to heat should be interpreted in the same way as rules for loss of play during inclement weather.

3. RULES OF ONE-DAY MATCHES

FIELD RESTRICTIONS FOR A & B GRADE ONE-DAY GAMES

There are three levels of fielding restrictions:

In the first 10 overs of an innings, the fielding team may have at most two fielders outside the 30-yard circle.

Between overs 11 and 35, four fielders are allowed outside the 30-yard circle.

In the final 10 overs, five fielders are allowed outside the 30-yard circle.

All grounds must have an inner circle marked for one-day games.

3.1 HOURS OF PLAY

A, B & C Grades – 12.30pm to 6.20pm. Afternoon tea shall be taken between 3.20pm and 3.35pm, except as provided by these rules.

Length of Innings – First Batting Side (Uninterrupted Innings)

3.2 If not delayed, interrupted, or terminated early, the innings of the side batting first shall be compulsorily closed after:

- 45 consecutive overs in A and B Grade,
- 40 consecutive overs in C Grade,
- or at 3.20pm, whichever comes first.

Interrupted Innings

3.3 If time is lost during the first batting side's innings, the relevant batting time shall be reduced by 4 minutes per over, as shown in the calculation table in clause 3.10.

Over Reduction Limit

3.4 If the total time lost during the first batting side's innings reduces the number of overs to less than 20 completed overs, the match shall be abandoned.

Length of Innings – Second Batting Side (Uninterrupted Innings)

3.5 If the innings of the first batting side is compulsorily closed, the second batting side, if not dismissed, shall be entitled to the same number of overs as the first batting side.

3.6 If the first batting side is dismissed before the scheduled compulsory closure, the second batting side shall be entitled to:

- 45 overs in A and B Grade
- 40 overs in C Grade

Interrupted Innings

3.7 When the second batting side's innings is interrupted, if the number of overs that can be bowled in the remaining time (see calculation table in clause 3.10) is less than its entitlement under clause 3.3, the match may continue.

Drawn Match

3.8 If the second batting side receives fewer than 20 completed overs and no other result has been obtained, the match shall be drawn. If the second batting side is entitled to fewer overs than the first batting side and has not surpassed the first side's score at the completion of its allotted overs, the match shall be drawn.

Delayed Start

3.9 If play does not commence on time due to adverse weather conditions:

(a) The umpires or captains shall decide a new starting time and determine the time remaining for play, using an estimated finishing time of 6.00pm, allowing 10 minutes between innings and a 15-minute interval at 3.20pm. (Note: The 6.00pm finishing time is for calculation

purposes only.)

(b) The umpires or captains will determine the number of overs per team by dividing the remaining time into two and allowing one over per four minutes, as per the calculation table in clause 3.10.

(c) The match shall proceed under these conditions if there is sufficient time for at least 20 overs per team. Therefore, the match must start by 3.10pm.

3.10 Calculation Table

Mins	Overs	Mins	Overs	Mins	Overs
1-4	1	33-36	9	65-68	17
5-8	2	37-40	10	69-72	18

13-16	4	45-48	12	77-80	20
17-20	5	49-52	13	81-84	21
21-24	6	53-56	14	85-88	22
25-28	7	57-60	15	89-92	23
29-32	8	61-64	16	93-96	24

Completion of Last Over

3.11 The last over before an interval or the close of play shall be completed, without a break, even if a wicket falls.

Over Limits for Bowlers

3.12 A bowler in A and B Grade shall not bowl more than 9 overs, and in C Grade not more than 8 overs, of the maximum number of overs permitted for an uninterrupted innings. Where the maximum is reduced due to interruptions, the limit shall be one-fifth of the adjusted maximum overs, except for any bowler who has already exceeded the reduced limit.

A Grade – Free Hits

3.13 When a No Ball is bowled (any type), the batsman facing the next ball will receive a free hit. If the next ball is not a legitimate ball (i.e., wide), another free hit shall be bowled until a legitimate ball is delivered.

Note: If the same batsman who faced the original no ball faces the free hit, the fielding positions cannot change from when the no ball was bowled. If the non-striking batsman faces the free hit, the fielding positions may change, within existing fielding restrictions.

4. RULES FOR T20 MATCHES

4.1 FIELD RESTRICTIONS FOR T20 GAMES

Only two (2) fielders are permitted outside the 30-yard restricted area for the first 5 overs

Only three (3) fielders are permitted outside the 30-yard restricted area between overs

6-10. Only four (4) fielders are permitted outside the 30-yard restricted area between overs 11-15.

Only five (5) fielders are permitted outside the 30-yard restricted area between overs 16-20. A maximum of five (5) fielders on the leg side at any time

4.2 HOURS OF PLAY

B Grade 12:30 – 3:00
 A Grade 3:30 – 6:00

Length of Innings – First Batting Side (Uninterrupted Innings)

If not delayed, interrupted, or terminated early, the innings of the side batting first shall be compulsorily closed after:

- 20 consecutive overs; or
- 80 minutes of play (whichever comes first)

4.3 Drawn match

If the second batting side receives fewer than 20 completed overs and no other result has been obtained, the match shall be drawn. If the second batting side is entitled to fewer overs than the first batting side and has not surpassed the first side's score at the completion of its allotted overs, the match shall be drawn.

4.4 Over Reduction Limit

If the aggregate of time lost during the first batting side's innings reduces the number of overs for that innings to less than 5 completed overs, the match shall be abandoned.

4.5 Delayed Start

If play does not commence on time because of adverse weather conditions, the following procedure shall apply:

The umpires or captains shall decide on a new starting time and then will determine the time remaining for play and allowing 10 minutes for a break between innings.

The umpires or captains will determine the number of overs to be bowled to each team by dividing the time remaining for play into two and allowing for one over every four minutes. If the reduction calculation results in less than 5 overs per team the match shall be abandoned.

4.6 Tied match

In the event of a tie or no result, if circumstances permit, a 'Super Over' will be contested to achieve a result (replaces the Bowl Off).

The 'Super Over' is contested as follows:

One over, per team, is bowled after the conclusion of a T20 game that ends in a tie.

Each team decides on one bowler to bowl and three batters to bat during this one over game.

The team batting second in the match, will bat first in the Super Over.

The umpires shall stand at the same end as that in which they finished the match.

The umpires shall choose which end to bowl from and both teams will bowl from the same end.

The same ball as used at the end of the team's innings shall be used for the Super Over. Each team's over is played with the same fielding restrictions as those that are in place for the last over of a normal T20 match.

The loss of two wickets in the Super Over ends the team's Super Over innings.

Team A's total run score from the first over is to be chased by Team B to successfully to win the match. If Team B is unable to chase this total, Team A wins.

In the case scores are level again, the team hitting the most sixes in the original 20 overs is deemed the winner. If this is also the same, the teams with more fours in the original 20 overs will win the match.

4.7 Over Limits for Bowlers

A bowler shall not bowl more than 4 overs in an innings

4.8 Free Hits

When a No Ball is bowled (any type), the batsman facing the next ball will receive a free hit. If the next ball is not a legitimate ball (i.e., wide), another free hit shall be bowled until a legitimate ball is delivered.

Note: If the same batsman who faced the original no ball faces the free hit, the fielding positions cannot change from when the no ball was bowled. If the non-striking batsman faces the free hit, the fielding positions may change, within existing fielding restrictions.

4.9 Umpires

The umpire(s) controlling the match shall change ends every five (5) overs.

5. RULES FOR TWO-DAY MATCHES

4.1 HOURS OF PLAY: 1.00pm – 6.00pm

Afternoon tea shall be taken between 3.20pm and 3.40pm. If an innings closes after 3.05pm, tea shall be taken immediately, with one drink break per session. If the umpires are in position before 6.00pm, an over shall be commenced and completed, irrespective of the number of wickets that fall on either day.

4.2 Length of Innings

(a) The innings of the side batting first, if not otherwise terminated, shall be compulsorily closed on the completion of at least 80 overs or when the time reaches 6.00pm, whichever is later.

(b) If the innings of the first batting side is compulsorily closed, the second batting side, if not dismissed, shall be entitled to bat for the same number of overs bowled as the first batting side.

(c) If the innings of the first batting side is completed other than by compulsory closure, the second batting side, if not dismissed, shall be entitled to bat for the same number of overs as the first batting side or for 80 overs, whichever is greater, and any further overs until the scheduled end of the match.

(d) At the completion of the first innings of each side, a 10-minute break shall be taken. Play shall resume until 5.30pm, at which time play may cease if both captains agree. If both captains disagree, play shall continue until 6.00pm.

4.3 Player Substitution

At the time of submitting team sheets, A Grade captains may nominate a maximum of two players who shall be permitted to fully replace any other selected player for all two-day games, except finals matches, in accordance with the following:

Scenario One: A player (X) is unavailable for the first day of a two-day game.

(i) The first eleven players named in a team are to take the field on the first day.

(ii) The replaced (Y) player and the replacing (X) player must be identified on the team sheet prior to the start of the match. The replacement must occur.

(iii) The replacing player (X) must not play in any lower grade on the day corresponding to the first day of the match.

(iv) The replaced player (Y) may play in any lower grade on the day corresponding to the second day of the match.

(v) The replacing player (X) may take part in the match as if selected in the original team, i.e., X may bat, bowl, and/or wicket keep for Y. If Y is batting and not out overnight, he remains not out, and X can bat. The team must lose 10 wickets to be deemed all out. If Y has been dismissed on Day 1 and the innings continues into Day 2, X cannot bat in that innings.

(vi) If team sheets are not completed or exchanged prior to the start of play on the first day, the team taking the field on the first day will be the team, and no replacements will be allowed.

Scenario Two: A player (X) is unavailable for the second day of a two-day game.

(i) The first eleven players named in a team are to take the field on the first day.

(ii) The replaced player (X) and the replacing player (Y) must be named on the team sheet prior to the start of the match.

- (iii) The replaced player (X) may not be named as a player in any other grade for the second day.
- (iv) The replacing player (Y) must play on the second day in the match for which he has been named as a replacement for X.
- (v) Y may come from the immediate lower grade that started a match on the corresponding first day.
- (vi) Y may take part in the match as if selected in the original team, i.e., Y may bat, bowl, and/or wicket keep for X. If X is batting and not out overnight, he remains not out, and Y can bat. The team must lose 10 wickets to be deemed all out. If X has been dismissed on Day 1 and the innings continues into Day 2, Y cannot bat in that innings.
- (vii) If team sheets are not completed or exchanged prior to the start of play on the first day, the team taking the field on the first day will be the team, and no replacements will be allowed.

4.4 Adverse Weather

If no play is possible on the first day due to adverse weather, the match shall become a one-day game under one-day conditions (not applicable to final matches). If a two-day match is interrupted by adverse weather for more than 30 minutes on either day, the game shall revert to ordinary conditions. If a first-innings decision is not reached by 6.00pm on the second day under ordinary conditions, the match shall be drawn.

4.5 Follow On

The side batting first and leading by at least 100 runs in a two-day match shall have the option of inviting the other side to follow on. The captain of the side batting first may declare the innings closed during the first day's play, with a 10-minute break between innings.

4.6 Ball

A new ball shall be used in the first innings, with the option of a second-hand ball in the second innings.

6. FINALS

Eligibility

5.1 A Grade 1-Day Final – A player must have played two (2) matches in the current season for the club to be eligible to play in the A Grade 1-Day Final if two-day games are included in the fixture.

5.2 A player shall not be eligible to play final series matches unless he has played five (5) playing days or more with the club during the current season. During the current season, a player who has played District 1, 2, 3, or Sub-District 1, 2 and returns to the SDCA must participate in a minimum of five (5) playing days.

5.3

(a) To qualify for finals, players must play five (5) games for that club. To be eligible for B Grade finals, players must have played the majority of their games for that club in that grade. For example, if a player has played 2 games in A Grade and 3 games in B Grade (total 5 games), they are eligible to play B Grade finals.

(b) No player who has played A or B Grade shall play in the final series with C Grade unless he has played five (5) days or more in C Grade during the current season. If a player has played more than half the scheduled days in the higher grade (i.e., A and/or B), that player cannot play in the C Grade finals. These restrictions do not apply if A, B, and C Grades are playing. A player can play in a higher grade during finals provided the player has qualified under Rule 5.1.

(c) When a club has more than one team in the same grade, the team for which the player has played five (5) games first shall be the side for which the player is eligible in finals. This rule does not apply if both or all teams representing the club are playing in finals in the same round. (If a player has met finals eligibility of 5 games in that grade, but no more than 5 games for either side, that player is eligible to play in either side for finals, but cannot play in both.

(d) All games played on a season permit in SDCA junior competitions count as qualification games for finals eligibility purposes.

(e) To be eligible for T20 finals day, players must have played a minimum of three games with their club in the regular season. To qualify for the B Grade final, a player must have participated in more than half of their total matches for the season in B Grade.

(f) Players named for a game that is forfeited during the season will have that game counted towards finals eligibility in that grade, provided the player did not play for another team or grade within the club that round.

(g) A complete washout or a bye will not be included as a match for the purpose of eligibility to play in finals.

Conduct of Matches

5.4 At the end of home and away matches, the first four teams play off: 1st vs 4th on the ground chosen by the 1st team, and 2nd vs 3rd on the ground chosen by the 2nd team.

(a) A Grade semi-finals shall be played over two days if the regular season includes two-day fixtures.

(b) B Grade semi-finals shall be one-day matches. If interrupted by adverse weather, the Sunday following the scheduled semi-final will be made a Reserve Day.

(c) The Grand Final of A Grade shall be played over two days, in the same format as the home and away matches (1.00pm – 6.00pm, 80 overs) if two-day cricket is included in the fixture. If interrupted by adverse weather, the following Saturday and Sunday (where scheduled) can be used to complete the match. If the fixture does not include two-day games, A Grade finals will follow the one-day Grand Final format outlined in 5.3(d).

(d) The Grand Final of B Grade shall be a one-day game, in the same format as the home and away matches (12.30pm – 6.20pm, 45 overs). If interrupted by adverse weather, the following Saturday (where scheduled) can be used to complete the match.

(e) C Grade and/or lower grade semi-finals and Grand Finals will be played in the same format as the home and away matches (1.00pm – 6.20pm, 40 overs). If C Grade semi-finals are interrupted by adverse weather, the Sunday following the scheduled semi-final will be made a Reserve Day.

(f) If the C Grade and/or lower grade Grand Final is interrupted by adverse weather, a Reserve Day set at the start of the season can be used to complete the match. This also applies to Under-16 and Under-14 Grand Finals.

(g) If a final is drawn as a result of a first-innings tie, the side that finished higher on the ladder at the end of the home and away series shall be deemed the winner.

Finals Venues

5.4 A and B Grade finals shall be played on turf where possible. C Grade and/or lower grade Grand Finals shall be played on any approved wicket. The SDCA executive shall approve chosen grounds.

8. CONDITION OF GROUNDS

7.1 If the SDCA Executive decides that a majority of the grounds in a particular grade are unfit for play, all games in that grade will be cancelled for the round. This decision must be made no later than 11:00 am on match day. This rule applies independently to all senior grades.

7.2 On the first day, if the grounds committee has not cancelled all SDCA matches for the day, the fitness of the pitch, ground, weather, and light for the commencement of play shall be judged solely by the umpires or captains. On the second day, this responsibility rests solely with the umpires or captains, having regard to notes (c) and (d) to Law 3 of the Laws of Cricket. If a club or player disputes the decision of the umpires or captains, that club or player may be fined up to \$50.00, suspended, or both.

7.3 The SDCA Executive is also responsible for the approval of covers and the monitoring of their use as defined in Rule 15.

9. REGISTRATION

8.1 Before a player can play in an open-age team of an affiliated SDCA club, he must be registered with that club through PlayHQ.

8.2 Any winning team violating Rule 8.1 shall forfeit the match concerned, and the opposing team shall be awarded the maximum points gained by any team in that round. Teams shall be fined \$50.00 per offending player. This rule applies independently to all grades.

8.3 Games played on a permit granted through PlayHQ count toward finals eligibility, provided the player is fully cleared to the club they are playing finals for by January 15.

10. CLEARANCES

9.1 Clearances shall open on 20 August each year.

9.2 No registered player of a club within the SDCA may change clubs without obtaining a clearance. This clearance shall be processed within seven (7) days from the time the SDCA Secretary provides it to the club concerned. If the clearance application is refused, the player may apply for another clearance, which shall also be processed within seven (7) days. If the club refuses the second application, the player may appeal to the SDCA, which shall refer the clearance to be heard and determined by the Independent Tribunal.

9.3 Clearances will close with the SDCA Secretary on 15 January of each season. Any application lodged after 15 January shall be invalid and not considered. All applications lodged on or before 15 January shall be dealt with in the normal manner.

9.4 Any club affiliated with the SDCA having a junior team shall be permitted to play such juniors in senior teams without a clearance or permit.

11. PLAYERS' CONDUCT

10.1 An official umpire, senior team captain, or junior coach may report any player for misbehaviour.

10.2 A written statement specifying the player reported and the nature of the report shall be lodged with the SDCA Secretary within 48 hours after the completion of the match.

10.3 Using the SDCA Player Misconduct Matrix, the SDCA Secretary will conduct a preliminary investigation, determine the guilt or otherwise of a reported player, and, in the event of a guilty verdict, provide notice of a penalty in written form.

10.4 Should the penalised player seek to appeal the decision, the matter may be heard by an Independent Tribunal. All parties involved shall be notified by the SDCA Secretary of the time and place of the Independent Tribunal hearing. This hearing shall be held within five (5) clear days of receipt of the report by the SDCA Secretary.

Behaviours that may be of a reportable nature include, but are not limited to:

- (a) The use of offensive language
- (b) Questioning or disputing the umpire's decision
- (c) Excessive frivolous or ridiculous appeals
- (d) Equipment abuse and send-offs

10.5 Breaches

(a) Serious breaches of misbehaviour will see the player immediately reported by the umpire(s) controlling the match (refer SDCA Rule 10 regarding Reporting Players).

(b) In the event that a player in any SDCA-sanctioned A, B, or C grade game (including any special fixture outside of the ordinary competition) is reported for an act of misconduct, the captain of that player's team shall be required to appear before the same tribunal as the charged player, or before the SDCA Executive if the captain is unable to be present at the original hearing. In considering any submission made by or on behalf of the captain, the tribunal or executive members will take into account the actions or inactions of the captain in controlling the conduct of the reported player.

Should the hearing body find that the captain failed in his duty to ensure the conduct of his players and failed to show good cause as to why, the captain shall be suspended from play as follows:

A Grade

- First offence – two (2) playing days
- Second and subsequent offence – four (4) playing days

B & C Grade

- First offence – one (1) playing day
- Second and subsequent offence – two (2) playing days

(c) For less serious breaches, where an umpire speaks to a player regarding his behaviour but does not believe a report is necessary, the incident will be noted and sent to the SDCA Secretary. Should a player be noted on three occasions during the season, he may be called to appear before the SDCA tribunal to explain his behaviour.

(d) In both instances, should a player be found guilty of an act of misconduct, he shall be liable for a suspension as determined by the tribunal.

(e) A player suspended for two games or more may only use one 20/20 match (where two or more 20/20 matches are scheduled on the same day) towards completion of their suspension.

(f) Players must serve their suspension in the grade in which they were suspended.

12. APPEALS

11.1 Any protests or disputes shall be lodged with the SDCA Secretary by 6.00 pm on the Thursday following the match in question and be accompanied by a deposit of \$200.00.

11.2 All protests or disputes shall be decided by the Independent Tribunal. If the tribunal considers that such a dispute or protest is frivolous or groundless, it may order the forfeiture of the deposit.

13. INDEPENDENT TRIBUNAL

12.1 The Independent Tribunal has the power to hear and determine all disputes, protests, and player conduct matters.

12.2 The Independent Tribunal panel shall consist of one member from each affiliated club. Three members chosen from the panel shall constitute an Independent Tribunal.

12.3 The SDCA Secretary has the power to appoint an Independent Tribunal.

12.4 The Independent Tribunal has the authority to impose monetary penalties, suspend players, reduce team points, and suspend or disbar a club from playing in scheduled matches. The tribunal may impose one or more of the above penalties, having regard to the type and nature of the offence. The Independent Tribunal's decision shall be final in all matters heard.

14. FORFEITS

If a side forfeits on the first day of a two-day match and that round subsequently becomes a washout, the side receiving the forfeit shall be eligible for a minimum of six points.

15. FINES

14.1 When clubs are fined, fines are payable within seven (7) days from receipt of the invoice from the SDCA Treasurer or a letter from the SDCA Secretary. If the fine is not paid within seven (7) days, the fine will be doubled and points will be lost.

15.8 Until the scheduled time for the start of play, the home club shall be responsible for providing the labour necessary for the laying or removal of the covers.

15.9 After play has commenced, the covers may be used as directed by the umpires or captains. Should the umpires or captains decide that the covers be used during the course of the match, it will be the responsibility of both competing teams to assist with any labour required.

15.10 With respect to finals matches, the SDCA Executive will monitor the ground conditions and the prevailing and predicted weather conditions at the finals venues. The SDCA Executive shall be empowered to direct the home or host club to use covers at any time in the week preceding any day of the match. In the absence of any specific direction from the SDCA Executive, the above conditions shall be applicable. The SDCA Executive Committee shall have the power to take any action deemed appropriate against any club failing to abide by this direction.
