Dear Sir or Madam,

Since its formation in 1968, this Regimental Headquarters has been responsible for providing welfare and benevolence to serving and retired soldiers, their families and dependants. Members of the Regiment are currently deployed on operations in many countries around the world.

One way of raising money for welfare and benevolence is to produce a Regimental diary for issue and sale to soldiers and civilians. The diary is produced on our behalf by The Regiment Support Service and is done by voluntary sponsorships from the public. In return for your sponsorship we will provide a Certificate of Appreciation from the Regiment signed by The Colonel of the Regiment, which we hope you will display with pride in your office or business.

It is most reassuring for soldiers to know that they are supported by the general public through organisations such as yours and we would like to take this opportunity to thank you for your kindness and support.

If you have any questions regarding your sponsorship then please direct them to The Regiment Support Service on 01695 666737, or alternatively, if your question is regarding the authenticity of this request, then you can contact me at this Headquarters.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'James W. Denny', with a long horizontal flourish extending to the right.
