## CORNERS' CORNER

Only the Lord knows what will unfold in 2026. We can make resolutions and have some level of control but not absolute. Here are some thoughts:

1. Learn from the past but don't let it determine your future. The apostle Paul will speak of **forgetting what is behind and straining toward what is ahead** in Philippians 3:13c. We can learn from past mistakes and successes, but they only have a positive effect if we use them for future good.

2. Using the power of God to determine our strength and guidance for this year. Each of us need to follow the words of the blessed man in Psalm 1:2: **But his delight is in the law of the Lord, and on His law he meditates day and night.** If we place our faith in ourselves, we will fail.

3. We need to continue the transformation that began when we became a Christian. The following words are so important for each of us who wear the name Christian: **Do not conform any longer to the pattern of this world but be transformed by the renewing of your mind.** Romans 12:2. The Christian life is a growth process and must continue until we take our last breath.

With the help of the Lord, 2026 will be a blessed year and that is true regardless of the circumstances that come our way.
