VALENTINE'S DAY PHOTO DISPLAY

During the month of February, we will be displaying pictures of residents on their wedding day. If you would like for us to display your wedding photo (or any photo of you & your loved one), please bring it to Jamie and she will make a copy of it and put it on display.

XOXO

Programs to get you thinking:

Jeopardy

A spin-off of the famous Jeopardy show! Each time, we will have six categories with six questions in each category. You are sure to learn something new during this friendly competition.

Scattergories

The Scattergories game is the fast-thinking game of categories and words! Players race against the timer as they write down answers. Score points for writing down things no one else did. The more creative the answers, the more points you score.

Brain Games

Every Monday at 11:00am, join Jamie to challenge your mind with different brain games! Each week we will be doing something different to exercise different areas of our brain.

One Day University

One Day University offers *virtual* lectures from America's most popular professors. One Day University works closely with these professors to develop the most engaging talks on a variety of topics that inform and inspire us. Topics will be announced on the weekly highlights & listed on the daily calendars.

Great Courses & Discussion: *Ancient Empires Before Alexander*

Discover the dozen empires that flourished in the 2,000 years before the conquests of Alexander the Great; follow them as they rise to glory, create administrative and military structures, clash with one another, and eventually collapse.

TED Talks

TED is a nonprofit devoted to spreading ideas, usually in the form of short, powerful talks, called "TED talks." TED stands for Technology, Entertainment, Design — three broad subject areas that are collectively shaping our world. But a TED conference is broader still, showcasing important research and ideas from all disciplines and exploring how they connect.

Lecture by William Pack:
Brain Hack, The Science of Influence
Tuesday, February 3rd at 7:00pm in the Great Room

Are you ready for a truly mind-blowing experience? William Pack returns with an all-new program designed to mess with your mind and reveal the inner workings of your brain. Using memorable stories and relatable examples, you'll learn the subtle tactics that advertisers, marketers, sales people, and con artists use to get you to do what they want, without you noticing.
