# Programs to get you thinking:

## Jeopardy

A spin-off of the famous Jeopardy show! Each time, we will have six categories with six questions in each category. You are sure to learn something new during this friendly competition.

## Scattergories

The Scattergories game is the fast-thinking game of categories and words! Players race against the timer as they write down answers. Score points for writing down things no one else did. The more creative the answers, the more points you score.

## Brain Games

Every Monday at 11:00am, join Jamie to challenge your mind with different brain games! Each week we will be doing something different to exercise different areas of our brain.

## One Day University

One Day University offers *virtual* lectures from America's most popular professors. One Day University works closely with these professors to develop the most engaging talks on a variety of topics that inform and inspire us. Topics will be announced on the weekly highlights & listed on the daily calendars.

## Great Courses & Discussion: *The American Revolution*

Why did 13 colonies believe they could defeat the most powerful nation on the planet? And how did they manage such a feat? Get the real story on the battle for American independence with these 24 lectures masterfully delivered by Professor Allen Guelzo of Gettysburg College.

## TED Talks

TED is a nonprofit devoted to spreading ideas, usually in the form of short, powerful talks, called "TED talks." TED stands for Technology, Entertainment, Design — three broad subject areas that are collectively shaping our world. But a TED conference is broader still, showcasing important research and ideas from all disciplines and exploring how they connect.
