Kirk and the team were great. Had some gyprock repairs done in my garage and they carried it out affordably and without fuss. An exceptional level of workmanship and no mess was left behind. Very happy with the result! Great experience and won't hesitate to recommend. 10/10!!

Kirk and co was exceptional in replacing my ceiling and plastering. He has a keen eye for detail and went above and beyond what I expected from a plasterer, or any tradesmen for that matter! It's without hesitation I recommend them for anyone wanting plastering work done in Cairns. They're easy going guys too and a pleasure to have in my home.

Had the team from Cairns Plaster Professionals install new plasterboard and cornice in my bathroom and laundry after a water leak. Their communication was first-class (they kept me updated when they will be on site, how the plastering job is progressing, when they're likely to be finished etc). Their workmanship is flawless and they cleaned up thoroughly at the end of the job. And best of all, they arrived right on time each day they were there. A great bunch of friendly plasterers and a delight to have in my Cairns home. I will be referring them to everyone I know when they need a plasterer in Cairns. Very happy customer. Now, next challenge - painting!
