

LAND TRANSPORT NEWSLETTER

January to March 2023

Message from Barry + Raewyn

As many of you know the month of March is a difficult time of year for the Land family, none more than Ben and Sherri-Leigh.

However paying tribute to Ben and Sherri-Leigh's loss of their beloved daughter on her 10th anniversary was not only humbling but a sign of respect for the loss of our granddaughter.

TESTIMONIALS

We wanted me to pass on to you guys on how well Joe presented himself and Land Transport today. He was early for the crane, first thing he did was put all his safety/hi vis gear on, walked over introduced himself, inspected freight and was no end of help through the loading/restraining process. Excellent to hear these sort of comments from our customers in this day and age where the focus in general seems to be that drivers just drive. Good to see some old fashioned customer service. Great work Joe and Land Transport.

KAS Freight

I was asked to be involved on this one as the team here know I know you folks fairly well and we've always got on extremely well. And from my past experiences Land Transport is one of the better freight businesses to deal with , always been reliable and trustful.

Once again, a big thank you to the whole team. We have been looking to establish what's called a community benefits scheme. This allows us to create opportunities for sport and activities in the community, and have funds to help send our young athletes away to events. That program needs funds so we are really excited to use this donation to set this program up.

FOUNDATION

It's been ten years to the day you see

That we dedicate this truck to your memory

Your little feet didn't even get to touch the ground

You never heard us say, "We Love You", out loud

It makes you wonder about a world

That could take away our Baby girl

It's impossible to explain

That kind of pain

If it wasn't for the love of friends and family

We honestly cannot tell you where we would be

From this we made The Emerikus Land Foundation

For us it's not about the accolades or ovation

But rather helping other families in their time of need

So they can make memories and help them grieve

Each and every day still

Our Angels destiny is being fulfilled

This Sunday 19 February will mark the one-year anniversary of the horrific truck crash that occurred on the outskirts of Brewarrina, taking the lives of two drivers.

On Sunday 12 February the family and friends of one of the men, Trevor Hourigan, attended a memorial event at the crash site on the Kamilaroi Highway just west of Brewarrina.

The community came out in support of the family including Brewarrina Shire Council Mayor Vivian Slacksmith, General Manager David Kirby, the first responders from the day and many locals.

Hourigan & Land families

The Land family would like to take this time to thank the township of Brewarrina for their support and assistance with the memorial of Trevor Hourigan.

The Land family also thank those who were able to attend the memorial and know Sharon and her family felt very grateful for the weekend.

FINALLY! BLONDE MEN JOKES:

A blonde man is in the bathroom and his wife shouts "did you find the shampoo?" He answers "Yes but I'm not sure what to do ... it's for dry hair and I just wet mine."

A blonde man spots a letter on his doormat. It says on the envelope "DO NOT BEND". He spends the next 2 hours trying to figure out how to pick it up.

A blonde man shouts frantically into the phone "My wife is pregnant and her contractions are only 2 minutes apart!" Is this her first child?" asks the doctor. "No!" he shouts, "this is her husband!"
