2026

DAN DEVEREAUX
ANNUAL GOLF CLASSIC

Welcome to Danny Boy 2026!

I am delighted and amazed to see so many golfers ready for action at this early hour! It is especially wonderful to welcome the first time Danny Boy golfers, many of whom weren't even born when this tournament began. This is our 26th outing.

We continue to follow Dan's directive to "Give 'em a chance"... a chance to reach their full potential through a good education in a safe and stimulating environment. This has worked well for our students. They have grabbed this chance and lifted themselves and their families out of poverty. We have alumni working in corporate jobs, law enforcement, the military, engineering, science and education, to name a few.

In many ways, our mission has been accomplished, but the need continues. Most of our scholars are from the East side of the River. Illinois has experienced dire funding cuts over the past 18 months. These cuts impact education, food assistance programs, healthcare, housing and child care. All of these cuts have severe consequences and have undercut the basic needs of our students and their families.

We have a resilient group of families who have reached out to The Danny Boy for scholarships. Thank you for helping them find a way to thrive.

HAVE A GREAT MORNING!

Jeri

In Honor Of Jim Holloran

The Danny Boy lost a great friend in Jim Holloran on February 18, 2025.
Jim generously supported our efforts from our beginning.
He is sorely missed. Rest In Peace Jimmy.

Raise your glass one final time, for one who lived so well,
let stories flow like finest wine, and tales of triumph tell.
For Irish hearts don't break, they say, they simply overflow,
with love that lasts beyond the day, when loved ones
have to go. So drink deep to memories sweet, and laugh
through misty eyes, for somewhere down some
golden street, love never truly dies.

Honored to celebrate your life and support a mission that has made a difference in my own life as well as so many others.

In loving memory of my Uncle Dan.
