

Military Wives Choirs and Lionsgate Partnership

Lionsgate UK is proud to present MILITARY WIVES, a film inspired by the phenomenon that in turn has continued to inspire people globally to come together and support each other by forming communities that are bonded through uncertainty and strengthened with support. Now with over 2,000 members the Military Wives Choirs Charity has become a global phenomenon, and Lionsgate is thrilled to work with them to bring the story of the choir to cinemas and inspire the nation through song

Theirs is an inspirational story of friendship, love, and support on the home front. It started with a group of women uniting as their partners serve in Afghanistan. Together they form the very first military wives choir, helping each other through some of life's most difficult moments and also becoming a media sensation and global movement in the process. Peter Cattaneo (The Full Monty) directs Oscar® Nominee and BAFTA® Winner Kristin Scott Thomas (Darkest Hour) and BAFTA® Nominee Sharon Horgan (Catastrophe) in this feel good crowd-pleaser. MILITARY WIVES is produced by Rory Aitken and Ben Pugh of 42 and Piers Tempest for Tempo Productions.
