Bravo Zulu House offers structured sober living specifically tailored for Veterans facing PTSD and addiction challenges. More than just a place to stay, we provide a recovery community rooted in peer mentorship, support services, and healthcare access to help Veterans reclaim their lives.

Where Your Support Goes

When you sponsor this year's Benefit Dinner, your investment powers two programs:

- Sustaining Our Winnebago Men's House: Keeping the doors open and life-changing recovery programs active for male Veterans in our care.
- Building Our Mankato Women's House: Capital funding to construct a dedicated, safe haven for female Veterans—a critically underserved population in Veteran recovery from trauma and addiction.

You aren't just sponsoring a dinner. You're building a foundation of hope.
