Email: \_\_\_\_\_

Home parish: \_\_\_\_\_

Allergies or other medical conditions:

\_\_\_\_\_

In case of emergency contact: \_\_\_\_\_

Phone: \_\_\_\_\_

Relationship to Volunteer: \_\_\_\_\_

1. When you arrive each day at 8:30am, you will sign in and take your name badge. Once you have checked in for the day, please proceed to the area you are assigned to, and check in with the adult leader to see what needs to be done for the day.
2. The activities will begin in the church hall every day, and you are all asked to be in the hall and ready to begin promptly at 9:00am. We will all be participating in the songs and group activities each day.
3. The time goes by very quickly, and we are all expected to always be interactive with the little ones. The children are here to have fun and are watching you and looking up to you for guidance and appropriate actions. Please be aware of your behavior, and act how you expect the children to act. **BE GREAT ROLE MODELS!**
4. Please, no picking the children up and carrying them around.
5. **Cell phones may not be carried with you!** They must be kept in the Parish Office. If you are expecting an important call or need to be in contact with someone, please give them the church phone number 683-1343 and we will locate you immediately. This is for the protection of your own personal belongings as we have had phones that have gotten wet and been damaged in previous years.
6. Each volunteer will get **one 10 minute break** each morning. We will have snacks and drinks for you in a designated area. You must remain in this area for your break, as it wouldn't be fair to the campers to see you walking around with your snacks.
7. If you are assigned to a specific area for the camp, please stay there and on task for the full duration of the day. The last group that comes to your area for the day is just as excited as the first group for the day to see you and participate in the activity. Please be sure to give each group that comes through your area **your best self!**
8. At the end of the day, everyone is required to meet back in the church hall for closing song and prayer. When the children are dismissed for the day, we will all work together to clean up and get set up and organized for the following day. When that is done, you will be dismissed. You may not leave for the day until all the children in your group have left with a parent.
9. Before you leave, please check in with an adult leader, sign out and return your name badge to use the next day.

These children LOVE being with you, and are watching everything you do, and listening to everything you say. We ask that you maintain a mature and professional demeanor and remain on task at all times. Please remember that you are here as a volunteer, helper, and role model and we love having you here! We know you are capable of being a wonderful leader and that you will live up to these expectations.
