

**BOYS & GIRLS CLUBS  
OF LONG BEACH**

**OUR MISSION**

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

**THE CLUB EXPERIENCE**

Boys & Girls Clubs of Long Beach fills the gap between school and home with our nationally recognized programming, provided at **3 Clubhouses and 9 school sites**. We provide welcoming, positive environments in which kids and teens have fun, participate in life-changing programs, and build supportive relationships with peers and caring adults. **We do whatever it takes to make sure every child, no matter race, gender, or socioeconomic status, is given a great future!**

During the pandemic, we opened our three Clubhouses for full-day distance learning support and programming, costing an average of \$1,900 per child. We offered a membership to this full-day program on a sliding scale, depending on the household income of each family, averaging only \$50 for the year, making it the most affordable option for our low-income community.

## *Korea Mi Amour.* 2020-2021 Youth of the Year

A student at Cabrillo High School, Korea was just voted ASB president as a junior (very rare). Korea did not have an easy childhood, having to spend some years in foster care. She found solace and support when she joined the Freeman E. Fairfield/Westside Center. The Club has helped her raise her grades and she has learned so much in programs like SMART Girls, diplomas2Degrees, and Brent's Club. She wants to follow in her grandmother's footsteps and make a difference in the world, which is why she hopes to attend Howard University, where she will learn to become a civil rights attorney.

In addition to our Youth of the Year, Korea will represent Los Angeles County at the state level Youth of the Year competition.

**BOYS & GIRLS CLUBS OF LONG BEACH**

Only with your generous support, will Boys & Girls Clubs of Long Beach continue to make a positive and lasting impact on the youth, teens, and families in our Long Beach community!
