THE CLUB EXPERIENCE

A Place to Grow, Learn, and Thrive

When challenges at home began affecting 10-year-old Mia's performance in school, she started falling behind in her classes and struggling with confidence. At Boys & Girls Clubs of Long Beach, she found a safe place to go after school where caring staff provided tutoring, homework help, encouragement, and stability. The Club also sent meals home with her nearly every evening, helping support her family during a difficult time. Within months, Mia's grades improved, her confidence returned, and she began thriving both in the classroom and at the Club.

Opening Doors to a Brighter Future

For Frank, attending college felt uncertain due to the financial challenges facing his family. Through Boys & Girls Clubs of Long Beach's teen leadership and college readiness programs, he received guidance on applications, financial aid, and career planning. A Club scholarship helped bridge the gap, allowing him to enroll in college and pursue a degree in engineering. Today, Frank credits the Club with helping him see a future that once felt out of reach and often returns to encourage younger members to pursue their own goals.

Each year, Boys & Girls Clubs of Long Beach awards more than \$30,000 in college and trade school scholarships, helping Club teens take the next step toward their futures.

Affordable Care. Life-Changing Impact.

As a single mother working full-time, Maria worried about finding safe, affordable care for her two children. During the school year, Boys & Girls Clubs of Long Beach provided a place for them to learn, play, and grow for just \$15. When summer arrived, the cost of full-day care became a concern, but a Club scholarship ensured her children could continue attending at no cost to her family. *"The Club gave me peace of mind every day,"* Maria shared. *"My kids were safe, learning new things, and making friends while I worked. The scholarship made a summer full of opportunities possible for our family."*

Nearly half of all Club members receive scholarships to attend our full-day summer program, ensuring every child has access to a safe and enriching experience regardless of their family's ability to pay.
