## BUS SHELTERS AT MAIN GATE

The first of our new bus shelters was recently installed at Main Gate. The shelter couldn't have come at a better time with the recent rains and the hot days.

Each shelter includes a map of the estate, making it easier for visitors, deliveries, Uber drivers and service providers to find their way around more efficiently.

This is the first of several planned installations aimed at improving convenience and accessibility across the estate.

## SUPPORT A WORTHY CAUSE

Kingsway–Thandanani Charity Golf Day  
Friday, 5 June 2026 | Eagle Canyon Golf Course

*Some golf days are about trophies. This one is about transforming young lives in our own community.*

On 5 June 2026, we invite you to be part of a day that combines exceptional golf with meaningful local impact. The Kingsway–Thandanani Golf Day raises vital funds for two organisations that are quietly and faithfully changing futures:

- **Kingsway Christian School**, providing quality, affordable education to children from disadvantaged communities
- **Thandanani House of Refuge**, a registered Child and Youth Care Centre offering a loving home to vulnerable children

Behind every child is a story of resilience. Behind every story is a community that chose to care.

This is where you come in.

### How You Can Be Part of the Story

Whether you are:

- A business looking for meaningful CSI alignment and brand visibility; or
- A corporate team wanting to host clients in a purpose-driven environment; or
- A group of friends ready to rally a fourball for a great cause; or
- An individual who believes in backing local impact,

there is a way for you to get involved.

From entering a fourball, to sponsoring a hole, to premium event partnership opportunities, we have tailored participation options to suit both individuals and businesses who want their contribution to count.

Beyond the golf, your involvement helps fund education, shelter, care, and hope for vulnerable children living just a few kilometres from where you tee off.

### Interested?

To receive the full participation and sponsorship options:

Let's fill the field | Let's rally our networks | Let's play golf that truly matters.

*Play with purpose. Build community. Change lives.*

## FREQUENTLY ASKED:

I have recently moved in, who is responsible for maintaining my outside verge, me or the HOA? Surely it is HOA's responsibility as it's common property?

According to our estate rules, Residents are responsible for maintaining the area between the road kerb and the boundary of their property even though the pavement areas are a public right of way for pedestrian traffic. Residents are also responsible for maintaining the trees, plants and shrubs planted on their pavement.
