### Men's Single Knockout

**Congratulations to Trevor Payne, who is the new men's single knockout champ having beat Jason Marriot in the final.**

## CLUB CHAMPS

- All greens will be verticut to improve surface firmness, smoothness, and ball roll.
- This will be followed by a clean-up cut at 3mm.
- On the same day, our spray rig will apply a wall-to-wall foliar feed to enhance colour, plant health, and overall course presentation.

### Bunkers

- The team will decompact bunkers where required to ensure consistent playability.
- This process will be repeated following heavy rainfall as needed.

### Tees

- Tees will receive a light verticut to tighten surfaces and improve quality.

### Gardens and Presentation

- All garden areas will be assessed and cleaned according to priority.
- Stakes around the course will be inspected and repainted where necessary.
- Hazards and possible GUR areas will be reviewed and clearly marked.

### Greens Performance

- Green speeds will be closely monitored throughout the preparation period.
- Speeds will be gradually increased within safe agronomic limits to avoid turf stress or damage.

Our team is excited to prepare the course for this prestigious event and to present Eagle Canyon in top condition for all members and competitors.

Following on from our Junior Club Champs held recently, we would like to congratulate the following players on qualifying for upcoming Club Championship, taking place this weekend.

## FROM YOUR CAPTAINS

### Maxcine's Motivation

This past weekend brought some heavy rains that unfortunately forced the course to close. While I was hugely disappointed not to get any time out there, the closure was essential in helping us preserve the course ahead of Club Champs. The team has been working incredibly hard, and I'm hopeful that the weather holds this week so they can make their final tweaks before the competition.

**A gentle reminder to confirm your spot by Wednesday at 12pm and to RSVP for the prize-giving dinner on Sunday.** Let's make this Club Champs one to remember! We'll also have live music on Saturday along with snacks after your round, so be sure to stay a little longer, enjoy the atmosphere, and keep an eye out for the leaders as the competition unfolds.

I'm also very excited to officially announce that our new **Ladies' Beginner Programme** is now live, with our launch event taking place on **28 March from 2pm**. Please keep an eye on our social media and communication from the marketing team for full details – and help us spread the word to any ladies who may be interested in joining, learning, and growing within a welcoming golf community. I'm truly looking forward to partnering with the BGA team and our amazing Eagle Canyon Ladies Section as we continue building and empowering our ladies' golf community.

**As we head into the final stretch before Club Champs, may this week bring preparation, calm focus, and excitement for what lies ahead. Remember: champions aren't defined by the scorecard, but by the heart, resilience, and spirit they bring to the game. Wishing you all a wonderful week – see you on the tee box!**

### Richard's Rewards

We have had an incredibly wet and strange weather pattern this last week. It's unbelievable how the golf course seemed to have managed in these wet conditions, and we are pleased to share that it has drained well and we are hoping it dries out soon.

The time has come and it's the **final countdown to our Club Champs** this weekend. I hope you have all entered – we are currently sitting on 130 players, so we are almost close to a full field.

It's exciting as we prepare an unforgettable 2026 tournament for you all. Please may I ask that you support and join us for the final Sunday prize giving. **We invite you to bring your families and celebrate upstairs with us.** We are a prestigious club and would like to finish off the event in style.

We are looking forward to marking the course and setting up a few tight pins for all to talk about. We are hoping to speed up the greens to 10.5. Watch how the course greens ups over the next few days as Matko treats and preps for this week. We are hoping that the rains stay away so that our course is at its best this weekend.

**Enjoy your week, practise hard and we look forward to seeing you on the course this weekend.**
