DEAR Members

Our local pro, **Andre De Decker**, shot a low course gross of 61 this past week, resulting in an unofficial course record.

Not content with that, he was joined by fellow mates and golf members, **Travis Ladner**, **Adam Tavares** and **Pieter le Roux**, in having a little fun on the course.

The 4-ball played American Scramble off the red tees – shooting the lights out on 51 gross!

Any members up for the challenge to beat this score?

League News

Eagle Canyon Ladies Sunday League remains third on the log after a loss to Modderfontein A team yesterday. Mixed League game was unfortunately rained out.

Eagles Claw

Congrats to Duncan Coles who achieved the blue Eagles Claw

MATKO CORNER

Last night we recorded 4mm of rain.

Due to the current inclement weather, the verti-draining has been moved to next week.

This week, the Matko team are fertilising the 14th and 15th fairways and the no 2 tees. They are in the process of edging cart paths and bunkers, cutting tee boxes and repairing divots.

COURSE UPDATE

The Ops team will be removing the rubberising at the 11th tomorrow, Tuesday 21 October; cones will be placed to assist with diverting players to alternate routes.

INSIDER: TIP OF THE WEEK

The 9th is a very narrow driving hole with out-of-bounds right and left. A long iron or rescue wood may be required off the tee to gain position. The experts share that position off the tee is crucial here. Aim for the largest part of the fairway to avoid the bunkers. Trust your yardage on the approach shot.

Maxcine's Motivation

Golf is far more than just a sport—it represents a nurturing and vibrant community where women can forge lasting friendships and develop their confidence both on and off the course.

We are truly delighted to see our ladies' section thriving, and we warmly welcome both newcomers and seasoned golfers to join our growing group. Our calendar includes a variety of inclusive events and coaching sessions designed to suit all skill levels and foster a sense of belonging.

We would also like to encourage the gentlemen in our community to support the women in their lives—whether friends, family, or colleagues—by inviting them to take part in lessons or simply enjoy a social round. Your encouragement plays a vital role in helping us cultivate a welcoming and diverse environment that everyone can enjoy.

Be sure to mark your calendars for the **Ladies Open on 7th November**. It promises to be a fantastic day filled with camaraderie and exciting prizes to be won. We look forward to seeing many new and familiar faces as we continue to build a supportive and inclusive golfing community at Eagle Canyon.

Richard's Rewards

Each Committee Member has taken on a specific portfolio – from **Food & Beverage**, to **Carts & Caddies**, **New Memberships**, **Course Conditions** and more.

Regular meetings and discussions are driving positive changes, and while much of the work happens quietly, the impact will be seen and felt in the months ahead.

Whether it's refining our service offerings, enhancing course operations, or creating a more welcoming environment for prospective members, your committee is focused on building a club we can all be proud of.

Thank you once again for being part of the Eagle Canyon family. Let's keep the momentum going both on and off the course!

RULE REMINDER:

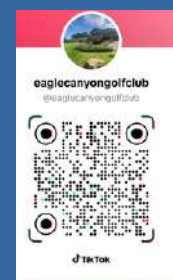

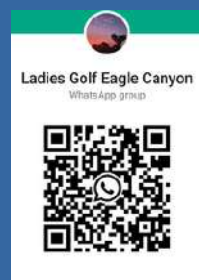

Suspension of play: The Golf Director and/or Management and the Greenkeeper will decide when the Golf Course becomes unplayable. Notice to discontinue play immediately will be announced by a long continuous blast of the siren. Two repeated short blasts will announce resumption of play. Note: even in absence of sirens a player is the sole judge as to the need to suspend play when lightning strikes are visible. Due to heavy rain the course may be closed or if play is allowed carts will only be permitted to drive on the cart paths provided – no carts will be permitted on the grassed areas of the golf course until otherwise advised by Management.
