Maxcine's Motivation

Mother Nature wasn't exactly on our side last week – the heavens opened up and the course got a proper soaking, so the clubs mostly stayed in the bag. But hey, every golfer knows: no rain, no green fairways!

Our very first **Queens of the Greens Ops36 Challenge** teed off on Sunday, and WOW – what a turnout! Around 40 players hit the course, with our Ladies and BGA members showing up in full force.

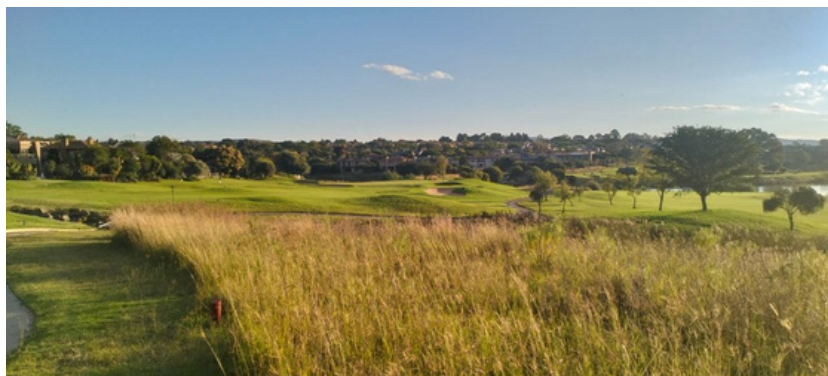

The energy was electric, and quite a few of our queens smashed the 36 barrier and are already climbing the ladder to the next level. Watch this space – these ladies mean business!

We're buzzing with excitement for our first-ever Queens of the Greens Mentors Scramble comp this Sunday. Grab your teammates, bring your A-game, and let's make it another one for the books!

The big one is almost here! The Captains Challenge runs from Thursday through Saturday, and we're crossing fingers for clear skies and a dry course. It's going to be an epic weekend of golf. See you on the fairway!

Remember – it's not about the perfect swing, it's about showing up, having fun, and getting a little better every time you step onto the course. Whether you're a seasoned pro or just finding your feet, there's a place for you here.

And if you haven't signed up for Queens of the Greens yet, it's not too late! Get your name on the list and join the movement – because every queen deserves her time on the greens.

Richard's Rewards

Hello everyone, and farewell to April 2026.

It's been a cold, wet and unpredictable month, but the sun is out today – hooray!

- Please note, the course is still very wet in places.
- Plugged lies and mud balls are happening shot after shot.
- Please be patient while the course recovers.

Your understanding helps everyone enjoy their rounds.

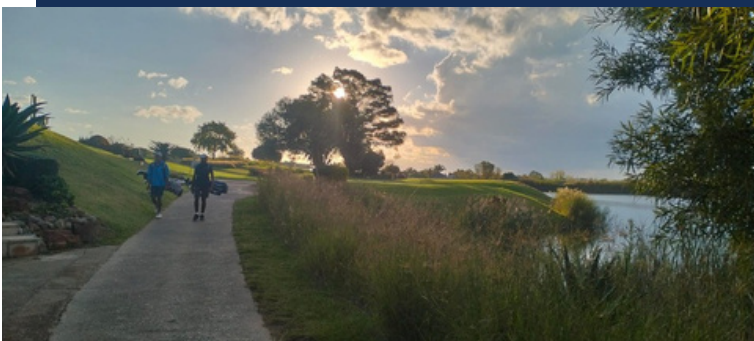

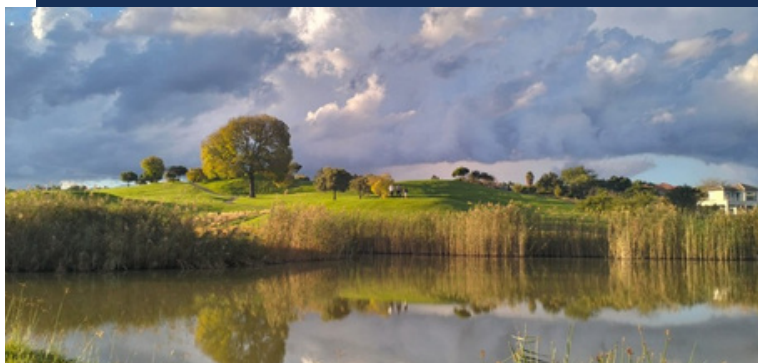

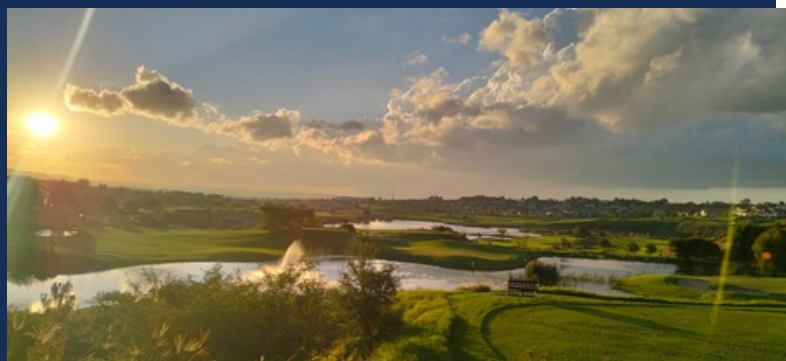

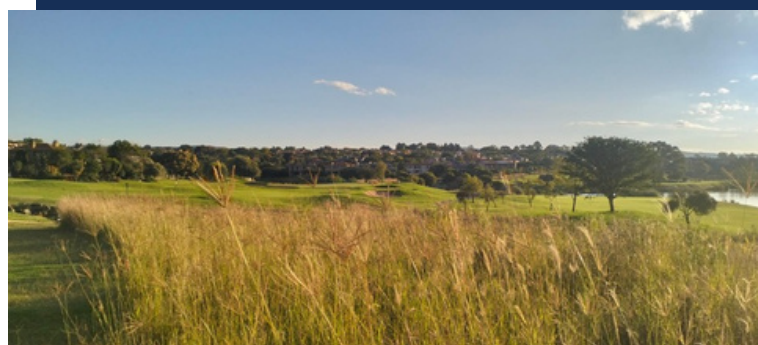

Looking ahead: we have a full line-up for the Captain's Challenge on Thursday, Friday and Saturday. It's going to be a great weekend of fun. Thank you to everyone for your support and for making the effort to play in the tournament.

A big well done to Matko, our greenkeeping team, for keeping the course playable under difficult conditions.

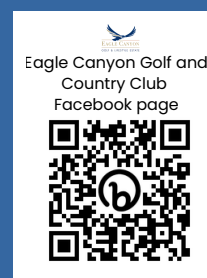

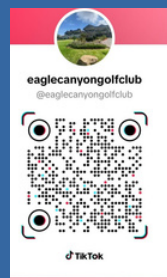

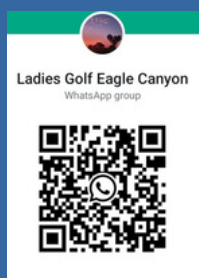

I am proud to be your Captain and only want Eagle Canyon to succeed and our members to enjoy their time at the club.

I look forward to a fantastic week of golfing.
